Allowable Use	Description
Instructional Materials - Best Practices	Obtain instructional materials and professional development aligned to best practices for improving school climate, including training on de-escalation and restorative justice strategies, asset-based pedagogies, anti-bias, transformative social-emotional learning, media literacy, digital literacy, physical education, and learning through play.
Instructional Materials - Standards Aligned	Obtain standard aligned professional development and instructional materials in the following areas: Visual and Performing Arts, World Languages, Mathematics, Science (including Environmental Literacy), English Language Arts (including Early Literacy), Ethnic studies, Financial Literacy, Media Literacy, Computer Science, and History-Social Science.
Developing Diverse Book Collections	Develop diverse book collections and obtain culturally relevant texts, including leveled texts, in both English and pupils' home languages, to support pupils' independent reading. It is the intent of the Legislature that these book collections and culturally relevant texts be used to provide support for pupils through the establishment of site-based school and classroom libraries that are culturally relevant to pupils' home and community experiences and be available in English, pupils' home language, or a combination of more than one language.
COVID-19 Safety	As related to the COVID -19 pandemic, acquire personal protective equipment, masks, cleaning supplies, COVID-19 tests, ventilation upgrades, and other similar expenditures, if they are necessary to keep pupils and staff safe from COVID-19 and schools open for in-person instruction.
Operational Costs	Operational costs, including but not limited, to retirement and health care cost increases.
